-Intern-

Sep 2021-2022 March

- During my internship as a web developer, I gained valuable hands-on experience in the field of web development. I had the opportunity to work with a team of experienced developers and contribute to real-world projects. My responsibilities included coding and maintaining web applications, debugging and troubleshooting issues, collaborating with team members to meet project goals, and learning and implementing various web development technologies and tools.

Aptec Computer school | Abuja, Nigeria

-Intern-

2019-2020 feb

- Mapped my fellow intern's journey and course outline using HTML/CSS as a website to reflect on courses taken and experience.
- improved my coding skills in languages such as HTML, CSS, JavaScript, and gained exposure to web frameworks and libraries. I also gained insights into the software development process, project management, and best practices in web development. Overall, my internship as a web developer was a valuable learning experience that enhanced my skills and knowledge in the field.
